Us:

Inspire and be inspired! Immerse yourself in a world of creativity and music as you foster a love of writing among elementary and middle school campers. Adventures in Writing Camp is a two-week day camp that channels the power of childhood imagination into writing success! In 2018, the camp's curriculum and lessons guide middle school students through the process of writing and creating their own podcast radio drama. What you'll do...

You will lead a class of middle school students through a two week, project-based learning program. The project for summer 2018 is centered around podcasting and the creation of a radio drama. A combined class of 6th - 8th graders, campers will develop writing skills through focused mini-lessons which are then applied to creating the radio drama podcast.

Each group of students (called troops) has a local college student, or "Adventure Guide," available as support during lessons and throughout the day. We anticipate a ratio of no more than 1 teacher to 25 students, and one staff member to every 7 campers. This is a 2-week commitment for the summer with the option of working more weeks if desired. Rangers will be on site from 8:15am –

3:15pm with breaks for prep and lunch. Going forward, teacher “alumni” will have an inside track on leadership positions as the camp expands to other locations in the area during the summer.

What we’re looking for...

- Teaching credential or equivalent experience.
- Experience working with middle school aged children
- Current First Aid CPR Certification
- Experience teaching with tablets is a plus, as well as familiarity with the book publishing process.
- Excellent communicator (with parents, staff, and Site Administrator)
