Dismissal Letter

Date: _____

Dear Parents of _____,

We regret to inform you that your child has been dismissed from the Adventures in Writing program.

Your child has been involved in several major behavior incidents, broken our behavior plan agreement twice, and received a warning of dismissal letter.

It is with great disappointment that we have to take this type of action. Adventures in Writing Camps' mission is to educate and delight students every day. The behaviors your child has chosen to exhibit goes against our mission and impacts the experience for all campers.

It is our sincerest hope that your child will learn from this unfortunate experience and return to Adventures in Writing Camp next year for a more positive summer camp experience.

Sincerely,

Site Administrator
