Injury Log

Keep this log with the First-Aid Kit and record injuries as they occur At the end of camp, the injury log will be submitted to the Home Office for filing. As a rule of thumb, if it requires a Band-Aid, it goes in the log.

Minor injuries (Those requiring a Band-Aid or ice):

- Put on safety gloves prior to treating injuries when bodily fluid is present. Follow universal precautions.
- Treat appropriately and record in the injury log.
- Call parent whenever an injury occurs to the head. Fill out the head-injury form (see pg.).
- Properly dispose of used medical equipment in the trash.

Major injuries:

- Call 911 or the direct number for local police/fire you have recorded in the front of this binder, if appropriate.
- Call the parent. If no answer, call all emergency numbers.
- Call the Home Office. (833) 974-8366.
